

Sparkler Safety

<https://youtu.be/E4r4NxuQA7A>

Sparklers are often viewed as being harmless but they burn at fierce temperatures, equivalent to a welding torch. Follow these top tips for sparkler safety:

- It is recommended that sparklers are not given to under-5s
- Make sure everyone handling sparklers wears gloves
- Hold sparklers at arm's length while being lit
- Don't wave sparklers about close to other people
- Never hold a baby in your arms while you are holding a sparkler
- When the sparkler has finished put it in a bucket of cold water.
