Harvest Collection

This year we will be celebrating harvest on the last day of term, Thursday, 21st October. We will be supporting Streetlife.

Streetlife's work continues to help vulnerable and homeless young people in Blackpool, Fylde and Wyre. Our local Shelter provides nearly 3000 bed spaces with shower, laundry facilities, and food over the course of a year. They also provide drop in facilities during the daytime where young people can get information, support, and a hot meal, along with opportunities for life-skills, training, and fun activities.

We are inviting our children to come in non-school uniform for the day and to bring in an item from the list below. Any donations will be very gratefully received.

Tinned food

Biscuits

Dried pasta

Pasta sauce

Rice

Cup a soup

Deodorant

Shower gel

Tissues

Sponges and flannels

Library

Last week some of Year Six children visited Palatine Library. They had a lovely time choosing fiction and non-fiction books. They are looking forward to our return visit.

Parking

Please avoid parking on the yellow zigzag lines outside school. This week some parents have found it difficult driving around the turning circle due to parked cars being illegally parked. Safety is paramount and we ask that all parents are vigilant when parking, ensuring that the safety of our school community is not jeopardised. Please remember that the Coop are kindly letting parents park in their car park. Can we also kindly remind you not to park on Mooreview Court as this is private parking for residence only.

Boreatton Park Activity Weekend (PGL)
Year 6 - Friday, 1st July to Monday, 4th July 2022

We encourage you to make small regular payments off the total of PGL. Payments should be made on Parent Pay. Thank you.

Nursery spaces

We now have spaces available for two and three year olds in our Marton Minis. If you or someone you know requires a place please contact Mrs Thorpe as soon as possible.

Flu Vaccination

Blackpool Teaching Hospitals have enhanced the consent process by transforming a previously paper process into a streamlined electronic form accessible anywhere. Previously receiving consent for a child's vaccine was reliant on school staff handing the paper forms out and getting them home to their parents/guardians, increasing the potential for the form being lost. Now the child's school will email or text the link to the consent form (also unique school code) to the parents/guardians so that they can easily and quickly complete the consent form via mobile device, tablet or computer. This will save parent/carers time and free up school staff time. Once your child has been vaccinated you will also be notified by text ensuring that you are up to date with the child's vaccinations. The vaccination team will be in school in November.

Filling out the Consent Form:

You will be required to provide your Child's NHS number. Please click the following link if you do not know your child's NHS number: [Link](#)

1. Please click the following link to access the online consent form: [Link](#)
2. Please quote the unique school code. The code for your school is **BP141867**
