

## **Admission into Our Nursery**

Children can attend our Nursery in the term after their 3<sup>rd</sup> birthday. To apply for a place, please contact the school for a Nursery Application Form. Parents may register for Nursery before the child's 3<sup>rd</sup> birthday. School will contact parents who have registered immediately prior to their child's 3<sup>rd</sup> birthday to arrange a suitable starting date.

Children are entitled to 15 hours free provision at our Nursery. This can be taken as either 5 morning or 5 afternoon sessions. In addition, we can offer access to full day care including breakfast club, lunch in Nursery, extended Nursery sessions and After School Club.

Please note that admission to our Nursery does not guarantee admission to our school.
